Subject: Rescheduling Water Quality Trading meetings

Team,

Welcome back to us all! I got a phone call first thing this morning from Carrie Sanneman, and she said they missed us very much. So much so that they are rescheduling the meeting at Alderbrook (which you may have received a Doodle poll about) and have narrowed it down to two dates that they would like us to consider and let them know which will work better: Dec. 2 -3 or Jan. 13-14. These are both Mon. – Tues.

I think it would work best if those who were already scheduled to go to the Oct. meeting told me what dates work best rather than sending them to Carrie, so that I can make sure we get our response in as soon as possible. And then I'll figure out what we do with the Ethics Forms that have already been approved.

Thanks!
